Dear parent/carer & year 6 pupil,

You have already put in lots of hard work to get ready for your SATs. Just to keep your learning brains ticking along, we have set some revision tasks for the Easter holidays.

We have two very simple rules:

- 1) Aim to revise on 10 different days. A little bit of revision is best (little and often), 30 minutes maximum each day. Remember, relaxing and having fun is also very important.
- 2) Think about what you need to spend some extra time on. It is best to revise things you are not sure about so that you make the most of your time. If it's too hard, don't worry, just make a note and ask us after Easter.

Revision Tasks to choose from:

- 1) CGP workbook
- 2) Google Classroom - there is a wide variety of activities available for Reading, Maths & SPaG
- 3) [Times Table Rockstars](#)
- 4) [Mathletics](#)
- 5) [Method Maths](#) These are interactive practice SATs papers that Year 6 have been introduced to this term.. The children know their login details. **The 'Centre ID' is IRPS.**
- 6) Y3/4 and Y5/6 Spellings – Practice a few each day to improve how many you know. These spelling lists are on Google Classroom in the SPaG section.
- 7) Reading - reading something you enjoy as often as you can.

Have a wonderful Easter break and see you on **Monday 15th April!**

Miss Waters
