## Exciting News: We're joining the 2026 TCS Mini London Marathon in Schools!

Dear Parents and Carers,

We are thrilled to announce that our school will be lacing up our trainers to take part in the **2026 TCS Mini London Marathon in schools!** This event brings the incredible energy and spirit of the world-famous London Marathon right to our own playground.

### The Challenge

Every class will be participating by completing **two miles** around our school grounds. This isn't about being the fastest; it's about being part of a team and celebrating movement together.

### Why are we taking part?

The Mini London Marathon is more than just a run—it's a fantastic opportunity for our students to experience the benefits of staying active:

- **Completely Inclusive:** This is a free opportunity designed for students of **all abilities**. Whether your child prefers to run, jog, or walk, everyone is encouraged to cross the finish line.
- **Physical Health:** It's a great way to encourage daily activity and build healthy habits.
- **Mental Wellbeing:** Physical exercise is proven to help reduce anxiety and enhance focus in the classroom.
- **Community Spirit:** It connects our students to a massive national event, fostering a sense of pride and achievement.

### Event Details

- **Date:** WB 27th April 2026 ( this will take place on one of your child/rens PE days)
- **Location:** School Grounds
- **What to wear:** Please ensure your child comes to school in their correct PE kit. Please see page 2 and 3 of the school planner if you are unsure.

We are incredibly excited to see our students give it their all. Thank you for your continued support in keeping our school community active and healthy!

Kind Regards,

Mrs Brown
