## Year 1 Toy Making workshop.

Dear Parents/ Carers,

On Friday 8th May, Year 1 will be participating in a toy making workshop as part of their History topic about the history of toys. It will be run by 'Classroom Adventures'.

The engaging workshop will include an interactive introduction to the kinds of toys the children will be making. Following this, they will get involved in the toy-making process itself! Throughout the morning, the children will be developing a variety of skills as they construct their very own toy using quality wooden components.

The workshop is scheduled for approximately 9:00am-12:00pm.

This hands-on experience will not only be a fun and memorable day for the children, but will also bring their learning about the history of toys to life in a tangible way. They will have the opportunity to create something and take pride in their craftsmanship.

The cost of the workshop will be £10.50 to be paid via your ParentPay account by Friday 1st May.

On the day, please send your child into school at the normal time, in full school uniform. The workshop will not affect lunch, this will be at the normal time.

If you have any questions, please don't hesitate to get in touch.

Thank you for your continued support.

Yours sincerely,

Mrs S Piner  
Year 1 Class Teacher
