

IMPORTANT NOTICE REGARDING SCHOOL MEAL PRICES

September 2026

Dear Parents/Carers/Guardians,

This letter is to inform you of an upcoming change to the price of school meals. We understand that any price increase can be difficult, and we want to assure you that this decision has not been taken lightly.

Reason for the Increase

Due to the significant changes enforced by the Government concerning National Insurance and National Minimum Wage increases and the ongoing increases in the cost of food ingredients and other essential supplies, we are no longer able to absorb these rising costs without impacting the quality of the meals we provide. The rising cost of living has affected the entire food service industry.

New Price and Effective Date

From Tuesday, September 1st, 2026, the price of a school meal will be £2.95 for all pupils. This will apply to all year groups.

Maintaining Quality

We are committed to providing healthy and nutritious meals for all our students. We are working hard to ensure that the quality and nutritional value of our meals will not be impacted by this price increase. We understand the importance of a good school meal, especially for some children, and we remain dedicated to offering a positive lunch experience.

We appreciate your understanding and continued support. If you have any questions or concerns, please don't hesitate to contact the school office, who will liaise with the Nourish team.

Kind regards,

Trudy Stroud | Operations Director
