Road Safety Poster Competition

Dear Parents/ Carers,

We are pleased to launch an exciting competition in conjunction with the KCC highways team and our local community warden. Keeping our pupils safe is a priority for all of us, and this includes their journeys to and from school. To promote safety on our local roads we are inviting all pupils to design and colour a poster that reiterates this important message. The poster should provide a clear message about keeping the roads around our school safe, this could include information about slow speed, safe parking and an awareness of children crossing local roads. A winner will be chosen from Key Stage 1 and one from Key Stage 2. The winning designs will be made into roadside signs and displayed around the local neighbourhood..

We will provide your child with an A3 sheet of white paper which they can use to draw their design on.

Some helpful hints:

- Fill the whole page with your design and wording (either portrait or landscape)
- Use bright colours, you could outline in felt-tip pen to make pictures and lettering stand out (no collage)
- Keep the message and image simple, so it is easy to read.

Please ensure the following details are on the BACK of your child's entry:

Child's full name: _____ and Class: _____

All entries should be handed to your child's class teacher or to the school office, by **Friday 9th June**.
We look forward to seeing a range of colourful creations..

Yours sincerely,

Mrs M Clark
Deputy Headteacher
