Dear Parents & Carers,

Staffing and Classes - September 2023

We are pleased to announce details of staffing and classes for the new academic year, starting Tuesday 5th September 2023. Details of the class your child will be in and who their teacher will be, can be found below. All children will have the opportunity to spend time with their new teacher before the end of this term and to discuss any worries or feelings they may have about moving to their new class.

Where applicable, your child's current teacher will make certain that all important information is shared with their new teacher, in order to ensure a smooth transition for all pupils. We know that for some children, change can be a cause of anxiety, so please be reassured that we will take all necessary measures to help all children enjoy a smooth transition, including providing additional support where necessary.

All staff at Istead Rise are very much looking forward to working with your children again in the new academic year and helping them continue to make fantastic achievements with their learning.

Thank you for your continued support.

Kind regards,

Mr S Payne
Headteacher
