20th November 2023

Dear Parents and Carers,

## Year 5 & 6 Trip to the Science Museum, London.

We are delighted to announce an exciting school trip for Term 3. We are planning to take all of the Year 5 & 6 children to the Science Museum in London on **Friday 12th January 2024**. The purpose of the visit is to enrich the children's understanding of the science curriculum, and to consolidate their learning from previous science topics. It will also inform our next topics: Electricity, followed by Space and Earth.

On the day, please send your child to school wearing their full school uniform, including a coat and sensible, comfortable shoes. If you are going to provide them with a packed lunch, please ensure that there are no nuts, glass bottles or fizzy drinks. They will not need any spending money as we will not be going into the Science Museum Shop.

We will **leave school at 8:30 am**, therefore we ask that your child **arrives at school by 8:00 am** so we have enough time for registration and one last trip to the toilet! We aim to return to school by **3:30 pm**, however this is traffic dependent, so we will keep you informed.

The cost of the trip is **£10** per child, this will contribute towards funding the coach. The school has subsidised the cost of this trip to make it as accessible as possible for all children.

Please complete the following google form to provide consent by clicking on this link: [Science Trip Permission Form](#) . Payment for the trip should be made via Parent Pay by 15th December 2023.

We look forward to welcoming your child on this exciting visit.

Yours sincerely,

Year 5 & 6 Team
