13th March 2024

Dear parents/ carers of Year 6 children,

Firstly, we would like to thank you for the support you have given the school and your children, specifically over the last four terms. We can't believe we have only two terms left until our amazing Year 6 children leave us and start a new exciting chapter in their education.

Before we get to all the excitement and wind down the end of the academic year, we have the KS2 SATs fast approaching, starting on **Monday 13th May 2024 and ending on Thursday 16th May 2024**. The children have been working exceptionally hard to prepare themselves for this event. Information about KS2 SATs for parents can be found here: [KS2 SATs 2024 information for parents](#)

We would like to confirm the arrangements for the week of the SATs; **We ask that ALL children arrive at school via the office, by 8:00am**. The children will be able to have a cooked breakfast for the **four days of the SATS** (parents will not need to pay for this), vegetarian options will be available. If required, siblings may attend the usual school breakfast club during this time (again the cost of this will be covered by the school). Please let the office know in advance if you would like to take up any places at breakfast club during this time.

There will also be a trial run of the breakfast on the morning of Friday 10th May 2024, starting at 8:00am. After breakfast, children will head to class to be registered, ready to start their school day as normal.

Please remember that regular attendance and punctuality are essential, 'every learning minute counts' and we request that all Year 6 children are at school for the above dates.

If you have questions about any of the above information, please let us know via the office, or your child's Pupil Planner and we will get back to you as soon as possible.

Kind regards,

Miss Waters
Year 6 Class teacher
